

St John The Baptist Wickhamford

Another year has gone by we are slowly coming out of Covid and back to having services with some lovely music.

The building is suffering from years of erosion the condition of the roof being the focal point of attention now for the future.

Sadly the Chancel repair may not be an option as the target to be raised being greater.

Jo retires this year who will be sadly missed by everyone god bless her on her retirement and I wish her well.

Thank you Shellie for all that you do for St Johns.

Thank you Carole (treasurer) Jackie (secretary) and Pat although in difficult circumstances.

Thank you Jenny and also Alison for your assistance with services and supporting the PCC.

Kenneth Maden
