

WICKHAMFORD APCM

The annual statistics remain similar to last year's however it would be lovely should we be able to encourage more people onboard to support the church.

I cannot thank everyone on the PCC enough for their support effort and commitment in raising funds over the past year.

Thank you James for keeping us afloat with service sheets whilst Shellie was on sick leave and thank you Shellie for your leadership in difficult times.

We are very grateful in having Jo, Kevin and John taking services in Wickhamford thus keeping the continuity going.

Hopefully we may be able to see something moving in the near future as to addressing the crumbling old buildings problems and help in funding this.

Thank you Jackie and everyone on the PPC for your hard work over the past year.

Ken Maden (Church Warden)
